About us

When you partner with *Tursa Employment & Training*, you may be eligible to receive generous wage subsidies for the candidates you employ. These subsidies are designed to:

- Offset On-the-Job Training Costs
- Contribute to Wages
- Support Workforce Development Activities

Wage subsidies of up to \$1,650 up to \$10,000 are available to employers, subject to terms and conditions. We specialise in helping you access these incentives for hiring individuals living with disabilities.

By doing so, you can create an accessible and inclusive workplace, providing people with barriers to employment the opportunity to showcase their abilities.
